## Call for Alumni Nominations

In 2011, WEDF established the Distinguished Alumni of the Worcester Public Schools Achievement Awards. These awards honor and recognize Worcester Public Schools alumni who:

- ✦ Have made exemplary contributions to their professional fields, the greater Worcester Community, the Worcester Public Schools, and/or the betterment of society as a whole
- ✦ Have achieved outstanding success in academics, the arts, business, community service, humanitarian efforts, research, and other fields
- ✦ Serve as a distinguished role model for Worcester Public Schools students

Honorees will be recognized at a banquet on the evening of October 28, 2021. The committee seeks a diverse representation of alumni who have been successful in their career or avocation.
